Learning for life

May 18th 2020

Dear Parent/Guardian,

We are living through some strange and historic times. We hope you and your families are all keeping safe and well. While the current lockdown and school closures have presented us with unique challenges, our preparations for the new school year are proceeding and we are really looking forward to welcoming your children to Creagh College as first year students in September. It is our current plan that first years will start on Monday 7th or Tuesday 8th September (delay due to need to prioritise exam years). We will be in communication with you closer to the time to confirm. We have uploaded several documents to our website with important information about the start of the 2020/2021 school year including a detailed information booklet: see Parents>First Year Information 2020>

Optional Subject Information

You will find enclosed with this letter the list of the optional subjects your son/daughter will study for their first year in the College.

For any student who receives a blank subject form, or who has not received a form at all, we do not have their options and they will be allocated subjects as soon as their preferences are received (a form for this purpose is available on our website <https://creaghcollege.ie/wp-content/uploads/2020/03/1st-Year-202021-Options-Form.docx>).

We cannot yet confirm which Modern European Language (French or Spanish) your child will be assigned to; we expect to be able to confirm this during the summer period and then it will be necessary to purchase the eBook for that subject. Further details will be communicated as soon as possible.

iPad information

Our online **iPad store will open on Friday 22nd May**. Please go to www.wriggle.ie, select the "Order Online" tab and enter our unique store code – 80440 – to order your son/daughter's iPad and eBooks. It is strongly recommended that you purchase the iPad through our online store, as it comes with an educational discount and can be more effectively managed under our Acceptable Use Policy and Mobile Device Management System. Please see **Creagh College Wriggle Parents' Information booklet** on our website for more information.

Our iPad online store closes Sunday 12th July: All orders completed by this date will be delivered to your home over the summer holidays. Late orders will be subject to a €50 late processing fee with Wriggle and may not be delivered in time for the start of the school year.
