Re: Leaving Certificate Applied 2020/2021

27/8/20

Dear Parents & Guardians,

We hope you are keeping well and we look forward to communicating with you throughout the year. As you may be aware, the Department is planning for a full return to school in the coming weeks. Plans have commenced for Leaving Certificate Applied and we ask for your support and understanding while we attempt to navigate the return of your son/daughter to school. We intend to proceed with Leaving Certificate Applied with the same spirit and determination as we have previously but of course there may be changes, losses and a lot of positive and creative thinking required.

All the necessary precautions will be taken to ensure the health and safety of staff and students as we return to class. Many workshops and courses have switched to online delivery. We hope to have an outdoor activity bonding trip when we return and further details will be provided on our return. Details regarding returning to school will be provided in the Creagh College School Re-opening Plan to follow. It is important for parents/guardians and students to read this carefully and further instructions to supplement this will be shared in school.

If you have any questions about the Leaving Certificate Applied programme, please contact paraicokeeffe@wwetb.ie.

Looking forward to getting started!
