Learning for life

23rd Sept 2020

Dear Parents and Guardians,

Thank you for your continued support and understanding while we settle into the new academic year. We want your son/daughter to have the best experience possible in Transition Year and while there may be changes and challenges to the programme, there will be many new learning experiences and opportunities ahead.

As you are aware, as of yet we have not charged the Transition Year fee for 2020/2021. We are now in a position to indicate some of the cost that will be associated with this year's programme. As outlined at the Senior Options Evening last March, the usual fee for Transition Year is €400 but this year we are asking for an initial payment of €250. This can be paid on the College's Way To Pay system. We may need to request further payment at a later stage in the year depending on what learning activities and experiences are available to us. This fee will cover the €35 School Services Fee, €40 Wriggle iPad Management Fee and some of the activities we have booked to date. These include:

- Activity & bonding day.
- Forensic Science Workshop.
- Certified "Smartphone Radio Journalism" module
- Leaders for Life programme
- Online training bundle for Work Experience
- Young Social Innovators Programme
- Yoga

Our first trip will be our TY Bonding morning at The Stables Fitness and Wellbeing on Tuesday 6th October. Students will walk to the Stables after tutor time and return to the college for lunch and activities in the afternoon. Creagh College sports gear/PE gear can be worn on the day.

Looking forward to another great Transition Year in Creagh College.

Regards,
Bridget O'Connor
