

#GRMA Day - Friday 11 December 2020.

Join us in thanking our amazing students for their ongoing efforts in abiding by the safety protocols (some of which are very challenging), since we reopened in September.

Join us in saying thanks to our teachers, SNAs, secretarial staff, and all involved in the huge efforts to ensure our children are safe and cared for as they enjoy their days at school.

On #GRMA Day we plan to take 10 minutes, to pause and broadcast a video collage to say thank you & well done, from the whole Creagh College community. This special break in an otherwise busy school day should also allow time for us to acknowledge everyone's efforts as we head towards the end of 2020.

In curating the video tribute, we would love input from you, as parents and community leaders. Each contributor is asked to submit either a couple of seconds of video or send a photograph holding a sign saying simply 'go raibh maith agaibh' or #GRMA. Material to be included in the video tribute is to be sent to creaghcollege@wwetb.ie (use GRMA as the subject of email & record video clip in landscape ) by Monday December 7th.

Thank you for your continued help and support.

From everyone in Creagh College

Go raibh maith agaibh!

Thank you!
