Learning for life

Re: Mock Examinations 2022

24th January 2022

Dear Parent/Guardian,

It is very important that our current 3rd and 6th year students are afforded the opportunity to sit Mock Examinations to prepare them for their Junior and Leaving Certificate exams later in the year. The disruption to school life in the last two years means opportunities to experience formal exams have been limited, and many of this year's 6th years did not experience the formal Junior Certificate exams.

To conduct mock exams in a safe and orderly manner we have made some changes to the planned schedule for our Mock Examinations for both 3rd and 6th year students. The Mock Examinations will be held as follows:

6th Year Leaving Certificate Mock Examinations

- The 6th Year Mock Examinations will commence February 8th and will run up February 18th (depending on optional subjects, some students will finish earlier).

3rd Year Mock Junior Certificate Mock Examinations

- The 3rd Year Mock Examinations will commence February 28th and will run up to March 9th (depending on optional subjects, some students will finish earlier).

Costs

The cost per student of the mock examinations is €120 per student for both Leaving Cert and Junior Cert.

This includes:

- a) All examination papers required for the candidate.
- b) All stationary requirements for the candidate (i.e., answer booklets)
- c) Postage of papers to the external correction agency.
- d) Audio recordings/maps/photographs/source documents etc
- e) The correction of the completed examination scripts through an external agency.

Methods of payment:

- Payments should be made via our online payment system Way2Pay. This is done via our website <https://creaghcollege.ie/way-to-pay/>.

If you have any queries regarding the Mock Examinations or experience any difficulties with the method of payment, please do not hesitate to contact us.

Yours sincerely

Paul Glynn, Principal
