## **INTRODUCTION TO CREAGH COLLEGE**

---

Creagh College is a multi-denominational, co-educational community college under the patronage of Waterford and Wexford Education and Training Board (WWETB). The school was established in 2011 to address the need for school places for post-primary students in the area. In April 2014, following the completion of a purpose-built public-private partnership building, the school moved to its current permanent 1,000 student facility.

The delivery of a quality education service coupled with a strong emphasis on pastoral care and positive discipline makes Creagh College a school where students can effectively learn, grow, and thrive.

At Creagh College we develop academic excellence by creating an environment where learning is encouraged and fostered. We provide a diverse range of educational experiences that are challenging and fulfilling. Our dedicated and energetic teachers are encouraged to adopt a student-centred approach to education. This ensures that each individual student's needs are catered for. We believe in empowering and equipping students to achieve their full potential. Great emphasis is placed on the social and personal development of students outside of the academic sphere. There is a vast range of after-school activities in which all students are encouraged to participate. The school is committed to the development and care of every person in our school community, where respect for one another is paramount.

Our innovative approach to education, utilising the latest digital technologies, will give our students the best possible preparation for a happy, prosperous, and successful future. At senior cycle, our wide range of LC subjects on offer includes Leaving Certificate Physical Education, and Computer Science.

## 1 GLOSSARY OF TERMS

---

**'Applicant'** means the parent/guardian of a student, or, in the case of a student who has reached the age of 18 years, the student, who has made an application for admission to Creagh College.

**'Student'** means the person in respect of whom the application is being made. All uses of the word throughout this Policy therefore imply 'prospective' as part of the interpretation. That is, the use of the word 'Student' does not mean that an application or acceptance of offer makes him/her a student of Creagh College; a person is only regarded as a student of Creagh College once s/he is enrolled on his/her first day of attendance.

**'Enrolled'** means attending the school as a registered student, in line with section 20(2) of the Education (Welfare) Act 2000.

**'Gender'**, in line with the definition of "*the gender ground*" in the Equal Status Act 2000, is such that "*one is male and the other is female*". This does not prejudice any Student who is Intersex or identifies as Androgynous/Androgyne, Bigender, Demigender, Gender Fluid, Genderqueer, Multigender, Neutrois, Non-binary, Transgender, Transsexual or otherwise.

**'Parent'** has the same meaning as in the Education Act 1998 and includes a foster parent and a guardian appointed under the Guardianship of Children Acts, 1964 to 1997.

**'Feeder Primary Schools'** refers to the primary schools of preference for application to Creagh College. The feeder primary schools for Creagh College are categorised into 2 groups based on the Department of Education School Planning Areas:

*Group 1 (in no particular order)*

- 1.1. Ballycanew National School, Ballycanew, Gorey, Co Wexford.
- 1.2. Ballyduff National School, Ballyduff, Camolin, Co Wexford

For the purpose of this policy **'Staff member'** refers to Teachers registered with the Teaching Council and who are currently contracted by WWETB to teach in this school in a PWT/CID/FT capacity, and ancillary

staff who are currently (at the time of application), employed on an ongoing and non-temporary basis in Creagh College.

For the purpose of the selection criterion relating to the student having a sibling who previously attended the school, '**Sibling**' refers to full siblings, half-siblings, foster-siblings and step-siblings.

For the purpose of the selection criterion relating to the student having a sibling currently enrolled in the school, '**Sibling**' refers to full siblings, half-siblings, foster-siblings, step-siblings and Students who reside in the same household.

**Note:** the wider definition of sibling in the second of the two paragraphs immediately above is for the purpose of facilitating families who are required to do more than one drop-off and/or collection to/from the school.

'**Special Class**' means a class that has, with the approval of the Minister for Education, been established by a school to provide an education exclusively for students with a category or categories of special educational needs specified by the Minister for Education. Creagh College has three Special Classes, established to cater for special educational needs of students with Autism/Autistic Spectrum Disorders.

'**Relevant Report**', as advised by the Department of Education and the National Council for Special Education (NCSE), means a written report based on an assessment by a relevant professional who makes a recommendation for a Special Class placement in a mainstream school. The relevant professional may include an educational psychologist, psychologist, other relevant health professionals, HSE disability services or HSE multi-disciplinary team staff, in line with guidance issued by the NCSE on this point. The relevant report which has been prepared within the 24 months immediately preceding the Student's application to the Special Class must state that:

- (i) the Student has a diagnosis (in line with the designation of the special class in question); and
- (ii) the Student has **complex** or **severe** learning needs that **require the support of a special class setting** in a mainstream school and the **reasons why this is the case**.

'**First-Year**' means the intake group of students for the most junior class or year in a school.

## 2 ADMISSION STATEMENT

---

ETB schools are state, co-educational, multidenominational schools underpinned by the core values of:

- Excellence in Education;
- Care;
- Equality;
- Community and
- Respect.

As the state provider of education, the ETB sector defines a 'multidenominational' school in the following way:

In ETB schools, all students are given equal opportunities for enrolment in line with the Education (Admissions to School) Act 2018. Once enrolled, our schools strive to provide all students with equal opportunities to engage with the curriculum and school life. In all aspects of school life all members of our school communities are treated equitably regardless of their race, gender, religion/belief, age, family status, civil status, membership of the Traveller community, sexual orientation, ability or socio-economic status.

Our schools provide a safe physical and social environment that reinforces a sense of belonging to the school community and wider society. They strive to enable every student to realise their full potential regardless of any aspect of their identity or background. Our schools promote a fully inclusive education that recognises the plurality of identities, beliefs and values held by students, parents and staff. We prepare open-minded, culturally sensitive and responsible citizens with a strong sense of shared values.

In ETB schools, students of all religions and beliefs are treated equally. The school environment and activities do not privilege any particular group over another whilst at the same time acknowledging and facilitating students of all religions and beliefs.

Creagh College shall not discriminate in its admission of a student based on the following grounds:

- 2.1. Gender of the Student or Applicant. However, where a school admits students of one gender only, it is not discriminatory to refuse to admit Students not of that gender;
- 2.2. Civil status of the student or applicant;
- 2.3. Family status of the student or applicant;
- 2.4. Sexual orientation of the student or applicant;
- 2.5. Religion of the student or applicant;
- 2.6. Disability of the student or applicant;
- 2.7. Race of the student or applicant;
- 2.8. The student's or applicant's membership of the traveller community;
- 2.9. Special educational needs of the student or applicant. However, where the school provides education exclusively for a category or categories of special educational need(s) in a Special Class, it is not discriminatory to refuse to admit to that class a Student who does not have the specified special educational need(s).

Creagh College shall not charge fees or payments or seek contributions as a condition of admission or continued enrolment of a student.

### 3 LEGAL FRAMEWORK

---

WWETB was established under the Education and Training Board Act 2013 which sets out the functions of all ETBs, including to establish and maintain recognised schools, centres for education and education and training facilities in each ETB's functional area.

The board of management of Creagh College is a committee established under section 44 of the Education and Training Board Act 2013 and also constitutes a board of management within the meaning of the Education Act 1998.

The Education (Admissions to Schools) Act 2018 and the Education (Welfare) Act 2000 place a duty on all recognised schools to prepare and publish an Admission Policy.

The Education Act, 1998 provides for an appeal process in the event of a refusal to admit a Student. The appeal process is set out in section 5.2 in respect of applications made to the First-Year group and in section 6.2 in respect of applications made to all years other than the First-Year group and in section 7.2 in respect of applications made to the Special Classes.

Under Section 15(1) of the Education Act 1998 the board of management has a responsibility to provide, or cause to be provided, an appropriate education for each student at the school and has a duty of care to ensure as far as practicable the health and safety of the students and the staff. Where the admission of an applicant would pose a significant risk to the health and safety of the applicant or the students and staff of the school, or pose a significant risk to the right of other students to an appropriate education then such an application for admission may be refused by the board of management.

It is important to understand that our school does not provide '*religious instruction*' and therefore the legal requirement to advise of the option to opt-out of religious instruction does not arise in this school. It is also important to understand the distinction between '*religious instruction*' and '*religious education*':

- *Religious instruction* is a term used in Ireland to indicate instruction in accordance with the rites, practices and teachings of a **particular** religion or denomination for pupils of that religious tradition.
- *Religious education* is open to all pupils regardless of their commitment to any particular religion or worldview. It seeks to contribute to the spiritual and moral development of all students equally.

As ETB schools are 'multi-denominational', Creagh College supports the provision of *religious education* that caters for all students regardless of their religious or non-religious beliefs.

## 4 GENERAL ADMISSION PROVISIONS

---

A decision on an application for admission shall be based on:

- the implementation of this Admission Policy,
- the annual admission notice of the school, and the
- information provided by the Applicant in the application for admission.

In processing an application Creagh College **shall not consider**:

- 4.1 The payment of fees or contributions to the school;

- 4.6 The date and time on which an application for admission was received by the school as long as it is received during the period specified for receiving applications set out in the annual admissions notice.

**Creagh College will consider** the offer of a place to every student seeking admission to the school, **unless one of the following applies**:

- 4.7 The Parent fails to confirm in writing that s/he accepts the Student Code of Positive Behaviour and he/she shall make all reasonable efforts to ensure compliance with such code by the student;
- 4.8 The student seeking admission to a Special Class in the school does not have the category of special educational needs specified by the Minister for Education in respect of that class.
- 4.9 Where the admission of an applicant would pose a significant risk to the health and safety of the applicant or the students and staff of the school, or pose a significant risk to the right of other students to an appropriate education then such an application for admission may be refused by the board of management.
- 4.10 Where the student is not eligible to be admitted as a recognised pupil in accordance with the Rules and Programme for Secondary Schools.

- 5.1.4. Late Applications

## **5.1 ADMISSIONS PROVISIONS (FIRST YEAR GROUP)**

---

Where Creagh College is not oversubscribed, all Students will be offered a school place, subject to sections 4.7, 4.8, 4.9 and 4.10.

A student applying for the First-Year group but seeking admission to the Special Class should see section 7 of this Admissions Policy. If the Student is also applying for a place in the mainstream First-Year Group in the event of an unsuccessful application to the Special Class, this section 5 is also applicable.

For clarity, it is possible to seek admission to both the Special Class and the mainstream First-Year group and be offered a place in both the Special Class and the mainstream First-Year Group or the mainstream First-Year group only. It is not possible to be offered a place in the Special Class only.

### **5.1.1 Oversubscription**

When the number of applications exceeds the number of places available, the published selection criteria as set out at section 5.1.2 below will apply and a waiting list shall be compiled which shall remain valid for the school year in respect of which the applications are made. Where Creagh College is in a position to offer further school places that become available for and during that school year, places will be offered in accordance with the order of priority in which students have been placed on the waiting list, subject to the provisions of section 7.1.1 regarding the Special Classes.

For the avoidance of doubt, if a Student does not receive a place in the school for a given academic year, but s/he wishes to be considered for admission in the following academic year, a new application must be made on behalf of that Student during the dates specified by the school as being the period when it will accept applications to all year groups other than First-Year.

Where an application is made on behalf of a Student for both the Special Class and a mainstream year group, and his/her application for one but not both is successful, s/he will remain in the same position on the waiting list for the group to which s/he was not successful, regardless of whether the Applicant accepts the place in the group to which the Student was successful.

Where the school is oversubscribed, any selection criteria that are not included in this Admission Policy shall not be considered in determining whether or not a student is admitted to the school.

### **5.1.2 Selection criteria in order of priority**

Creagh College will apply the following criteria for admission to the first-year group:

- 5.1.2.1 If the student has a sibling(s) currently enrolled in the school;
- 5.1.2.2 If the student has siblings who were previously enrolled in the school;
- 5.1.2.3 If the student is the son/daughter of a staff member employed at Creagh College;
- 5.1.2.4 Whether the Student attended the feeder primary schools listed in Group 1 in the glossary of terms of this policy;
- 5.1.2.5 Whether the Student attended the feeder primary schools listed in Group 2 in the glossary of terms of this policy;
- 5.1.2.6 All other applicants.

See section 7 for selection criteria applicable to admission to the Special Classes

### **5.1.3 Selection process**

Creagh College will apply the selection process as follows:

Applications are considered against the published selection criteria. Places will be offered in the first instance to those who meet the first criterion. Subsequently, where the school still has places available, the remaining applicants are considered in light of the second criterion and those applicants who meet this criterion will be offered a place within the school. This process is continuously carried out until all available places have been offered and accepted.

Where two or more applications are tied in the foregoing selection process, Creagh College will apply a random lottery to assign any available places in the school, or on the waiting list, to those applications.

N.B. The number of places available in a year group is subject to reduction in the event that a placement(s) in the Special Class is/are given to Student(s) from that year group, *i.e.* the selection process for the Special Class will be completed before the selection process for the mainstream year group and the number of Students who are offered a place in the Special Class will be the number by which the places in the relevant mainstream year group(s) are reduced<sup>1</sup>.

### **5.1.4 Late applications**

An application received by Creagh College after the closing date published by Creagh College, and set out in the Admission Notice, is considered a late application for the purposes of this Admission Policy.

Where Creagh College is oversubscribed and receives a late application for admission, that application will receive a place on the waiting list beneath applicants whose applications were received by Creagh College before the closing date for applications. Such late applications will be placed on the waiting list in accordance with the date and time they were received by the school subject to sections 4.7, 4.8, 4.9 and 4.10.

Where Creagh College is not oversubscribed and it receives a late application, the Student seeking admission will receive an offer of a place within Creagh College, subject to sections 4.7, 4.8, 4.9 and 4.10, and the same process as applies to Applicants whose applications were received before the closing date will be operated *i.e.* an Acceptance Form will be issued to the Applicant for completion and return to the school within 2 weeks of issue.

### **5.1.5 Second/third-round offers of a place**

Where a Student is in receipt of an offer of a place within Creagh College but does not accept the offer, or fails to accept within the specified time period, or the school withdraws the offer in line with the relevant provisions of this Policy, the place will be offered to the next Student on the waiting list in a second-round of offers. This process will continue throughout third and fourth rounds *etc.* until all places within the school have been filled.

---

<sup>1</sup> This approach is based on section 2 of the Education for Persons with Special Educational Needs (EPSEN) Act 2004, which requires that: "*A child with special educational needs shall be educated in an inclusive environment with children who do not have such needs unless the nature or degree of those needs of the child is such that to do so would be inconsistent with the best interests of the child as determined in accordance with any assessment carried out .... or the effective provision of education for children with whom the child is to be educated.*"

### **5.1.6 Acceptance of a place**

If the Student in respect of whom the application is made is offered a place, the Applicant will be issued with an Acceptance Form by the school.

The Applicant shall indicate acceptance of an offer by fully completing and returning the Acceptance Form by the date set out in the School's Admission Notice, or within 2 weeks of issuing by the school if it is a late application or if it is a second/third-round offer. This includes indicating whether or not s/he has applied for and is awaiting confirmation of an offer of admission from another school.

Failure to fully complete and return the Acceptance Form to the school by the date set out in the School Admission Notice, or within 2 weeks of issuing by the school if it is a late application or if it is a second/third-round offer, may result in withdrawal of an offer, in line with the grounds for withdrawal of an offer as set out below.

### **5.1.7 Refusal**

Where a Student in respect of whom an application is being sought has not been offered a school place, the Applicant will be provided in writing with:

- 5.1.7.1. The reasons that the Student was not offered a place in Creagh College;
- 5.1.7.2. Details of the Student's ranking against the published selection criteria, if the year group to which the Applicant is applying is oversubscribed;
- 5.1.7.3. Details of the Student's place on the waiting list, if applicable, and
- 5.1.7.4. Details of the Applicant's right to appeal the decision.

In addition to the conditions for consideration of an application as set out at 4.7, 4.8, 4.9 and 4.10, an offer of admission may not be made where:

- 5.1.7.5. The information contained in the application is false or misleading in a material respect.

### **5.1.8 Withdrawal of an offer**

An offer of admission may be withdrawn where:

- 5.1.8.1. The information contained in the application is false or misleading in a material respect, or
- 5.1.8.2. The Applicant fails to confirm acceptance of an offer of admission on or before the date set out in the annual Admission Notice of the school for the academic year for which s/he is applying, or in the case of a late application, or second/third-round offer, within 2 weeks, or
- 5.1.8.3. An Applicant has not indicated:
  - (i) whether or not s/he has applied for and is awaiting confirmation of an offer from another school(s) and if so, the details of the school(s);  
and
  - (ii) whether or not s/he has accepted an offer of admission from another school(s) and if so, the details of the offer(s).

If an offer of a place is withdrawn by the school, the Student on whose behalf the application was made shall lose his/her place on the admission list or waiting list for that academic year and any subsequent applications for the same academic year on behalf of that Student shall be treated as a late application in line with section 5.1.4 above.

## **5.2. APPEALS (FIRST YEAR GROUP)**

---

### **5.2.1 Appeal where refusal was due to oversubscription:**

An Applicant who was refused admission because the school is oversubscribed and who wishes to appeal this decision must first request a review by the board of management in writing, via a BOMR1 Form, available from the school office and on the school's website, for it to be reviewed by the board of management of Creagh College. Such a review must be sought by the Applicant within twenty-one calendar days of the school's decision to refuse to admit. However, if a different time period for the bringing of such an appeal is specified by the Minister for Education after the publication of this Policy, same shall apply instead. Completed BOMR1 Forms should be submitted to the school office or by emailing [creaghcollege@wwetb.ie](mailto:creaghcollege@wwetb.ie)

If an Applicant is not satisfied with the decision of the board of management, or the board of management is not in a position to review the decision to refuse admission, the Applicant may apply to bring an appeal to an appeals committee established by the Minister for Education under section 29A of the Education Act 1998. Appeals must be made in writing on a 'Section 29 Appeal Form' and must be submitted to the Section 29 Appeals Administration Unit in the Department of Education. The 'Section 29 Appeal Form' may be downloaded from the Department's website or may be obtained directly from the Section 29 Appeals Administration Unit in the Department of Education. Contact details for the Unit are available on the Department's website. As per the Department of Education's *'Procedures for hearing and determining appeals under section 29'*, such an appeal must not be brought until the Applicant has received correspondence from the board of management in relation to the review, or until 42 calendar days have passed since the date of initial refusal and may not be brought later than 63 calendar days after the initial decision to refuse admission.

### **5.2.2 Appeal where refusal was for a reason other than oversubscription:**

An Applicant who was refused admission to Creagh College for a reason other than the school being oversubscribed and who wishes to appeal this decision may choose to request a review by the board of management, via a 'BOMR1 Form', available from the school office and on the school's website, for it to be reviewed by the board of management of Creagh College. Such a review must be sought by the Applicant within twenty-one calendar days of the school's decision to refuse to admit. However, if a different time period for the bringing of such an appeal is specified by the Minister for Education after the publication of this policy, same shall apply instead. Completed BOMR1 Forms should be submitted to the school office or online by emailing [creaghcollege@wwetb.ie](mailto:creaghcollege@wwetb.ie) (An applicant may withdraw a request for review at any time prior to the conclusion of the review by notifying the board of management in writing to that effect.)

Alternatively, s/he may choose to apply to bring an appeal to an appeals committee established by the Minister for Education under section 29A of the Education Act 1998. Appeals must be made in writing on a 'Section 29 Appeal Form' and must be submitted to the Section 29 Appeals Administration Unit in the Department of Education. The 'Section 29 Appeal Form' may be downloaded from the Department's website or may be obtained directly from the Section 29 Appeals Administration Unit in the Department of Education. Contact details for the Unit are available on the Department's website. As per the Department of Education's *'Procedures for hearing and determining appeals under section 29'*, such an appeal may not be brought later than 63 calendar days after the initial decision to refuse admission.

If an Applicant who seeks a review by the board of management is not satisfied with the decision of the board of management, the Applicant may also apply to bring an appeal to an Appeals Committee

established by the Minister for Education under section 29A of the Education Act 1998, as outlined in the immediately preceding paragraph.

**5.2.3 Basis for a review by the board of management:**

As required by section 29C(2) of the Education Act 1998, any request for the board of management to review a decision of the school to refuse admission must be based on the implementation of this Admission Policy, the content of the school's Admission Notice and also set out the grounds of the request to appeal the decision.

## **6.1 ADMISSION PROVISIONS (OTHER THAN FIRST-YEAR)**

---

Where Creagh College is not oversubscribed, all Students will be offered a school place, subject to sections 4.7, and 4.8, 4.9 and 4.10.

A Student applying for admission to a year-group other than First-Year but seeking admission to the Special Class should see section 7 of this Admission Policy. If the Student is also applying for a place in the mainstream year group other than First-Year in the event of an unsuccessful application to the Special Class, this section 6 is also applicable.

For clarity, it is possible to seek admission to both the Special Class and the mainstream Year group and be offered a place in both the Special Class and the mainstream Year Group or the mainstream Year group only. It is not possible to be offered a place in the Special Class only.

### **6.1.1 Oversubscription**

When the number of applications exceeds the number of places available, the published selection criteria as set out at section 6.1.2 below will apply and a waiting list shall be compiled which shall remain valid only for the school year in respect of which the applications are made. Where Creagh College is in a position to offer further school places that become available for and during that academic year, places will be offered in accordance with the order of priority in which Students have been placed on the waiting list, subject to the provisions of section 7.1.1 regarding the Special Class.

For the avoidance of doubt, if a Student does not receive a place in the school for a given academic year, but s/he wishes to be considered for admission in the following academic year, a new application must be made on behalf of that Student during the dates specified by the school as being the period when it will accept applications to all years other than the First Year Group.

Where an application is made on behalf of a Student for both the Special Class and a mainstream year group, and his/her application for one but not both is successful, s/he will remain in the same position on the waiting list for the group to which s/he was not successful, regardless of whether the Applicant accepts the place in the group to which the Student was successful.

Where the school is oversubscribed, any selection criteria that are not included in this Admission Policy shall not be considered in determining whether or not a Student is admitted to the school.

Where the Transition Year Programme and/or Leaving Certificate Applied Programme is/are oversubscribed, a Student applying for admission to such programm(es) in the relevant year group, will, subject to this policy, be placed on the appropriate waiting list already compiled (annually) by the school, which list will contain the names of students enrolled in the school who have been placed on an internal waiting list for these programm(es).

### **6.1.2 Selection criteria in order of priority**

Creagh College will apply the following criteria for admission to a year-group other than First-Year:

- 6.1.2.1 If the student has a sibling(s) currently enrolled in the school;
- 6.1.2.2 If the student has siblings who were previously enrolled in the school;
- 6.1.2.3 If the student is the son/daughter of a staff member employed at Creagh College;

- 6.1.2.4 Whether the Student attended the feeder primary schools listed in Group 1 in the glossary of terms of this policy;
- 6.1.2.5 Whether the Student attended the feeder primary schools listed in Group 2 in the glossary of terms of this policy;

See section 7 for selection criteria applicable to admission to the Special Classes.

Any selection criteria that are not included in this Admission Policy shall not be considered in determining whether or not an Applicant is admitted.

### **6.1.3 Selection process**

Creagh College will apply the selection process as follows:

Applications are considered against the published selection criteria. Places will be offered in the first instance to those who meet the first criterion. Subsequently, where the school still has places available, the remaining Applicants are considered in light of the second criterion and those Applicants who meet this criterion will be offered a place within the school. This process is continuously carried out until all available places have been offered and accepted.

Where two or more applications are tied in the foregoing selection process, Creagh College will apply a random lottery to assign any available places in the school, or on the waiting list, to those applications.

N.B. The number of places available in a year group is subject to reduction in the event that a placement(s) in the Special Class is/are given to Student(s) from that year group, *i.e.* the selection process for the Special Class will be completed before the selection process for the mainstream year group and the number of Students who are offered a place in the Special Class will be the number by which the places in the relevant mainstream year group(s) are reduced<sup>2</sup>.

### **6.1.4 Late applications:**

An application received by Creagh College after the closing date published by Creagh College, and set out in the Admission Notice, is considered a late application for the purposes of this Admission Policy.

Where Creagh College is oversubscribed and receives a late application for admission, that application will receive a place on the waiting list beneath Applicants whose applications were received by the school before the closing date for applications. Such late applications will be placed on the waiting list in accordance with the date and time they were received by the school subject to sections 4.7, 4.8, 4.9 and 4.10.

Where Creagh College is not oversubscribed and it receives a late application, the Student seeking admission will receive an offer of a place within Creagh College subject to sections 4.7, 4.8, 4.9 and 4.10. and the same process as applies to Applicants whose applications were received before the closing date will be applied *i.e.* an Acceptance Form will be issued to the Applicant for completion and return to the school within 2 weeks of issue.

---

<sup>2</sup> This approach is based on section 2 of the Education for Persons with Special Educational Needs (EPSEN) Act 2004, which requires that: *"A child with special educational needs shall be educated in an inclusive environment with children who do not have such needs unless the nature or degree of those needs of the child is such that to do so would be inconsistent with the best interests of the child as determined in accordance with any assessment carried out .... or the effective provision of education for children with whom the child is to be educated."*

### **6.1.5 Second/third-round offers of a place**

Where a Student is in receipt of an offer of a place within Creagh College but does not accept the offer, or the school withdraws the offer in line with the relevant provisions of this Policy, the place will be offered to the next Student on the waiting list in a second-round of offers. This process will continue throughout third and fourth rounds *etc.* until all places within the school have been filled.

### **6.1.6 Acceptance of a place:**

If the Student in respect of whom the application is made is offered a place, the Applicant will be issued with an Acceptance Form by the school.

The Applicant shall indicate acceptance of an offer by fully completing and returning the Acceptance Form by the date set out in the School Admission Notice, or within 2 weeks of issuing by the school if it is a late application or if it is a second/third-round offer. This includes indicating whether or not s/he has applied for and is awaiting confirmation of an offer of admission from another school.

Failure to fully complete and return the Acceptance Form to the school by the date set out in the School Admission Notice, or within 2 weeks of issuing by the school if it is a late application or if it is a second/third-round offer, may result in withdrawal of an offer, in line with the grounds for withdrawal of an offer as set out below.

It is the responsibility of the Student and Parent to ensure that they bring all information regarding Classroom Based Assessments or other completed coursework with them when transferring from another school. Creagh College cannot be responsible for coursework undertaken prior to the Student enrolling in Creagh College.

### **6.1.7 Refusal:**

Where a Student in respect of whom an application is being sought has not been offered a school place, the Applicant will be provided in writing with:

- 6.1.7.1. The reasons that the Student was not offered a place in Creagh College.
- 6.1.7.2. Details of the Student's ranking against the published selection criteria, if the year-group to which the Applicant is applying is oversubscribed,
- 6.1.7.3. Details of the Student's place on the waiting list, if applicable, and
- 6.1.7.4. Details of the Applicant's right to appeal the decision

In addition to the conditions for consideration of an application as set out at 4.7, 4.8 4.9 and 4.10 an offer of admission may not be made where:

- 6.1.7.5. The information contained in the application is false or misleading in a material respect.

### **6.1.8 Withdrawal of an offer**

An offer of admission may be withdrawn where:

- 6.1.8.1 The information contained in the application is false or misleading in a material respect, or
- 6.1.8.2 The Applicant fails to confirm acceptance of an offer of admission on or before the date set out in the annual Admission Notice of the school for the academic year for which s/he is applying, or in the case of a late application, or second/third-round offer, within 2 weeks, or
- 6.1.8.3 An Applicant has not indicated:
  - (i) whether or not s/he has applied for and is awaiting confirmation of an offer from another school(s) and if so, the details of the school(s); and
  - (ii) whether or not s/he has accepted an offer of admission from another school(s) and if so, the details of the offer(s).

If an offer of a place is withdrawn by the school, the Student on whose behalf the application was made shall lose his/her place on the admission list or waiting list for that academic year and any subsequent applications for the same academic year on behalf of that Student shall be treated as a late application in line with section 6.1.4 above.

## **6.2 APPEALS (OTHER THAN FIRST-YEAR)**

---

### **6.2.1 Appeal where refusal was due to oversubscription:**

An Applicant who was refused admission because the school is oversubscribed and who wishes to appeal this decision must first request a review by the board of management in writing, via a 'BOMR1 Form', available from the school office and on the school's website, for it to be reviewed by the board of management of Creagh College. Such a review must be sought by the Applicant within twenty-one calendar days of the school's decision to refuse to admit. However, if a different time period for the bringing of such an appeal is specified by the Minister for Education after the publication of this Policy, same shall apply instead. Completed BOMR1 Forms should be submitted to the school office or online by emailing [creaghcollege@wwetb.ie](mailto:creaghcollege@wwetb.ie)

If an Applicant is not satisfied with the decision of the board of management, or the board of management is not in a position to review the decision to refuse admission, the Applicant may apply to bring an appeal to an appeals committee established by the Minister for Education under section 29A of the Education Act 1998. Appeals must be made in writing on a 'Section 29 Appeal Form' and must be submitted to the Section 29 Appeals Administration Unit in the Department of Education. The 'Section 29 Appeal Form' may be downloaded from the Department's website or may be obtained directly from the Section 29 Appeals Administration Unit in the Department of Education. Contact details for the Unit are available on the Department's website. As per the Department of Education's '*Procedures for hearing and determining appeals under section 29*', such an appeal must not be brought until the Applicant has received correspondence from the board of management in relation to the review, or until 42 calendar days have passed since the date of initial refusal and may not be brought later than 63 calendar days after the initial decision to refuse admission.

### **6.2.2 Appeal where refusal was for a reason other than oversubscription:**

An Applicant who was refused admission to Creagh College for a reason other than the school being oversubscribed and who wishes to appeal this decision may first choose to request a review by the board of management, via a 'BOMR1 Form', available from the school office and on the school's website, for it to be reviewed by the board of management of Creagh College. Such an appeal must be sought by the Applicant within twenty-one calendar days of the school's decision to refuse to admit. However, if a

different time period for the bringing of such an appeal is specified by the Minister for Education after the publication of this Policy, same shall apply instead. Completed BOMR1 Forms should be submitted to the school office or online by emailing creaghcollege@wwetb.ie. (An applicant may withdraw a request for review at any time prior to the conclusion of the review by notifying the board of management in writing to that effect.)

Alternatively, s/he may choose to apply to bring an appeal to an appeals committee established by the Minister for Education under section 29A of the Education Act 1998. Appeals must be made in writing on a 'Section 29 Appeal Form' and must be submitted to the Section 29 Appeals Administration Unit in the Department of Education. The 'Section 29 Appeal Form' may be downloaded from the Department's website or may be obtained directly from the Section 29 Appeals Administration Unit in the Department of Education. Contact details for the Unit are available on the Department's website. As per the Department of Education's *'Procedures for hearing and determining appeals under section 29'*, such an appeal may not be brought later than 63 calendar days after the initial decision to refuse admission.

If an Applicant who seeks a review by the board of management is not satisfied with the decision of the board of management, that Applicant may also apply to bring an appeal to an appeals committee established by the Minister for Education under section 29A of the Education Act 1998 as outlined in the immediately preceding paragraph.

### **6.2.3 Basis for a review by the board of management:**

As required by section 29C(2) of the Education Act 1998, any request for the board of management to review a decision of the school to refuse admission must be based on the implementation of this Admission Policy, the content of the school's Admission Notice and also set out the grounds of the request to review the decision.

## **7.1 ADMISSION PROVISIONS FOR THE SPECIAL CLASSES**

---

Creagh College is currently sanctioned for 3 Special Classes with a maximum overall enrolment of 18 students, established to cater for the special educational needs of Students with Autism/Autistic Spectrum Disorder (ASD).

Only applications in respect of Students whose needs fall within the category of special educational needs provided for by the Special Class will be considered. In this respect, the school requires that such needs of the Student be verified in a Relevant Report<sup>3</sup> which has been prepared within the 24 months immediately preceding the Student's application to the Special Class.

For clarity, it is possible to seek admission to both the Special Class and the mainstream Year group and be offered a place in either both the Special Class and the mainstream Year Group or the mainstream Year group only. It is not possible to be offered a place in the Special Class only.

Where the Special Class in Creagh College is not oversubscribed, all Students whose needs fall within the category of special educational needs provided for by the Special Class, will be offered a place in the Special Class, subject to sections 4.7, 4.8, 4.9 and 4.10 and confirmation by the NCSE.

### **7.1.1 Oversubscription:**

When the number of applications exceeds the number of places available, the published selection criteria as set out at section 7.1.2 below will apply and a waiting list shall be compiled which shall remain valid only for the school year in respect of which the applications are made. Where Creagh College is in a position to offer further school places that become available in the Special Class for and during that academic year, places will be offered in accordance with the order of priority in which Students have been placed on the waiting list subject to there being a place in the relevant mainstream year group.

If there is not a place available in the relevant year group, the next person on the waiting list for the Special Class will be considered for the place in question but this will not change the initial Student's place on the waiting list for the Special Class for the remainder of that school year, i.e. if another place subsequently became available in the Special Class during that school year, the initial Student at the top of the waiting list would be considered first, but again subject to there being a place in the relevant year group for that Student.

For clarity, if a place becomes available in a given mainstream class group, before that place is offered to a Student on the waiting list for that mainstream year group, the waiting list for the Special Class shall be reviewed and if there is a place available in the Special Class and there is a Student on the waiting list who would be able to take-up the place due to the available place in the given mainstream year group, that Student will be offered the place in the Special Class (thereby removing the place in the mainstream year group). This is in the interest of ensuring that the scarce resources of the Special Class are never under-utilised.

Where an application is made on behalf of a Student for both the Special Class and a mainstream year group, and his/her application for one but not both is successful, s/he will remain in the same position on the waiting list for the group to which s/he was not successful, regardless of whether the Applicant accepts the place in the group to which the Student was successful.

---

<sup>3</sup> Please read details regarding the 'Relevant Report' in Glossary of Terms in Part A of this policy.

For the avoidance of doubt, if a Student does not receive a place in the Special Class for a given academic year, but s/he wishes to be considered for admission to the Special Class in the following academic year, a new application must be made on behalf of that Student during the dates specified by the school as being the period when it will accept applications made to the Special Class.

Where the school is oversubscribed, any selection criteria that are not included in this Admission Policy shall not be considered in determining whether or not a Student is admitted to the school.

### **7.1.2      Selection criteria in order of priority:**

Applications to the Special Class will only be considered if the Student's needs fall within the specified category of special educational needs provided for by this class. Subject to this requirement, in the event of oversubscription, the following criteria for admission to the Special Class will apply:

- 7.1.2.1      If the student has a sibling(s) currently enrolled in the school;
- 7.1.2.2      If the student has siblings who were previously enrolled in the school;
- 7.1.2.3      If the student is the son/daughter of a staff member employed at Creagh College;
- 7.1.2.4      Whether the Student attended the feeder primary schools listed in Group 1 in the glossary of terms of this policy
- 7.1.2.5      Whether the Student attended the feeder primary schools listed in Group 2 in the glossary of terms of this policy
- 7.1.2.6      All other applicants

### **7.1.3      Selection process:**

Creagh College will apply the selection process as follows:

Having met the criteria for admission to the Special Class, applications are considered against the published selection criteria. Places will be offered in the first instance to those who meet the first criterion. Subsequently, where the school still has places available the remaining Applicants are considered against the second criterion and those Applicants who meet this criterion will be offered a place within the Special Class. This process is continuously carried out until all available places have been offered and accepted.

Where two or more applications are tied in the foregoing selection process, Creagh College will apply a random lottery to assign any available places in the Special Class, or on the waiting list, to those applications.

N.B. The number of places available in a year group is subject to reduction in the event that a placement(s) in the Special Class is/are given to Student(s) from that year group, i.e. the selection process for the Special Class will be completed before the selection process for the mainstream year group and the number of Students who are offered a place in the Special Class will be the number by which the places in the relevant mainstream year group(s) are reduced.<sup>4</sup>

---

<sup>4</sup> This approach is based on section 2 of the Education for Persons with Special Educational Needs (EPSEN) Act 2004, which requires that: *"A child with special educational needs shall be educated in an inclusive environment with children who do not have such needs unless the nature or degree of those needs of the child is such that to do so would be inconsistent with the best interests of the child as determined in accordance with any assessment carried out .... or the effective provision of education for children with whom the child is to be educated."*

#### **7.1.4 Late applications:**

An application received by Creagh College after the closing date published by Creagh College, and set out in the Admission Notice, is considered a late application for the purposes of this Admission Policy.

Where Creagh College is oversubscribed and receives a late application for admission, that application will receive a place on the waiting list beneath Applicants whose applications were received by the school before the closing date for applications. Such late applications will be placed on the waiting list in accordance with the date and time they were received by the school subject to sections 4.7, 4.8, 4.9 and 4.10 and confirmation by the NCSE.

Where Creagh College is not oversubscribed and it receives a late application, the Student seeking admission will receive an offer of a place within Creagh College, subject to sections 4.7, 4.8, 4.9 and 4.10 and confirmation by the NCSE and the same process as applies to Applicants whose applications were received before the closing date will be applied *i.e.* an Acceptance Form will be issued to the Applicant for completion and return to the school within 2 weeks of issue.

#### **7.1.5 Second/third-round offers of a place**

Where a Student is in receipt of an offer of a place within Creagh College but does not accept the offer, or the school withdraws the offer in line with the relevant provisions of this Policy, the place will be offered to the next Student on the waiting list in a second-round of offers. This process will continue throughout third and fourth rounds *etc.* until all places within the Special Classes have been filled.

#### **7.1.6 Acceptance of a place:**

If the Student in respect of whom the application is made is offered a place, the Applicant will be issued with an Acceptance Form by the school.

The Applicant shall indicate acceptance of an offer by fully completing and returning the Acceptance Form by the date set out in the School Admission Notice, or within 2 weeks of issuing by the school if it is a late application or if it is a second/third-round offer. This includes indicating whether or not s/he has applied for and is awaiting confirmation of an offer of admission from another school.

Failure to fully complete and return the Acceptance Form to the school by the date set out in the school's Admission Notice, or within 2 weeks of issuing by the school if it is a late application or if it is a second/third-round offer, may result in withdrawal of an offer, in line with the grounds for withdrawal of an offer as set out below.

#### **7.1.7 Refusal:**

Where a Student in respect of whom an application is being sought has not been offered a school place, the Applicant will be provided in writing with:

- 7.1.7.1 The reasons that the Student was not offered a place in Creagh College;
- 7.1.7.2 Details of the Student's ranking against the published selection criteria, if the year-group to which the applicant is applying is oversubscribed;
- 7.1.7.3 Details of the Student's place on the waiting list, if applicable; and

#### 7.1.7.4 Details of the Applicant's right to appeal the decision

In addition to the conditions for consideration of an application as set out at 4.7, 4.8, 4.9 and 4.10. an offer of admission may not be made where:

- 7.1.7.5 The information contained in the application is false or misleading in a material respect.

#### **7.1.8 Withdrawal of an offer**

An offer of admission may be withdrawn where:

- 7.1.8.1. The NCSE subsequently do not approve the placement of the Student in a Special Class for the specified category of special educational needs provided for by this class, or
- 7.1.8.2. The information contained in the application is false or misleading in a material respect, or
- 7.1.8.3. The Applicant fails to confirm acceptance of an offer of admission on or before the date set out in the annual Admission Notice of the school for the academic year for which s/he is applying, or in the case of a late application, or second/third-round offer, within 2 weeks, or
- 7.1.8.4. An Applicant has not indicated:
  - (i) whether or not s/he has applied for and is awaiting confirmation of an offer from another school(s) and if so, the details of the school(s);  
and
  - (ii) whether or not s/he has accepted an offer of admission from another school(s) and if so, the details of the offer(s).

If an offer of a place is withdrawn by the school, the Student on whose behalf the application was made shall lose his/her place on the admission list or waiting list for that academic year and any subsequent applications for the same academic year on behalf of that Student shall be treated as a late application in line with section 7.1.4 above.

## 7.2 APPEALS (SPECIAL CLASSES)

---

### 7.2.1. Appeal where refusal was due to oversubscription:

An Applicant who was refused admission to the Special Class because the Special Class is oversubscribed and who wishes to appeal this decision must first request a review by the board of management in writing, via a 'BOMR1 Form', available from the school office and on the school's website, for it to be reviewed by the board of management of Creagh College. Such a review must be sought by the Applicant within twenty-one calendar days of the school's decision to refuse to admit. However, if a different time period for the bringing of such an appeal is specified by the Minister for Education after the publication of this Policy, same shall apply instead. Completed BOMR1 Forms should be submitted to the school office or online by emailing [creaghcollege@wwetb.ie](mailto:creaghcollege@wwetb.ie).

If an Applicant is not satisfied with the decision of the board of management, or the board of management is not in a position to review the decision to refuse admission, the Applicant may apply to bring an appeal to an Appeals Committee established by the Minister for Education under section 29A of the Education Act 1998. Appeals must be made in writing on a 'Section 29 Appeal Form' and must be submitted to the Section 29 Appeals Administration Unit in the Department of Education. The 'Section 29 Appeal Form' may be downloaded from the Department's website or may be obtained directly from the Section 29 Appeals Administration Unit in the Department of Education. Contact details for the Unit are available on the Department's website. As per the Department of Education's *'Procedures for hearing and determining appeals under section 29'*, such an appeal must not be brought until the Applicant has received correspondence from the board of management in relation to the review, or until 42 calendar days have passed since the date of initial refusal and may not be brought later than 63 calendar days after the initial decision to refuse admission.

### 7.2.2. Appeal where refusal was for a reason other than oversubscription:

An Applicant who was refused admission to the Special Class for a reason other than the Special Class being oversubscribed and who wishes to appeal this decision may first choose to request a review by the board of management, via a 'BOMR1 Form', available from the school office and on the school's website, for it to be reviewed by the board of management of Creagh College. Such a review must be sought by the Applicant within twenty-one calendar days of the school's decision to refuse to admit to the Special Class. However, if a different time period for the bringing of such an appeal is specified by the Minister for Education after the publication of this Policy, same shall apply instead. Completed BOMR1 Forms should be submitted to the school office or online by emailing [creaghcollege@wwetb.ie](mailto:creaghcollege@wwetb.ie). (An applicant may withdraw a request for review at any time prior to the conclusion of the review by notifying the board of management in writing to that effect.)

Alternatively, s/he may choose to apply to bring an appeal to an appeals committee established by the Minister for Education under section 29A of the Education Act 1998. Appeals must be made in writing on a 'Section 29 Appeal Form' and must be submitted to the Section 29 Appeals Administration Unit in the Department of Education. The 'Section 29 Appeal Form' may be downloaded from the Department's website or may be obtained directly from the Section 29 Appeals Administration Unit in the Department of Education. Contact details for the Unit are available on the Department's website. As per the Department of Education's *'Procedures for hearing and determining appeals under section 29'*, such an appeal may not be brought later than 63 calendar days after the initial decision to refuse admission.

If an Applicant who seeks a review by the board of management is not satisfied with the decision of the board of management, that Applicant may also apply to bring an appeal to an Appeals Committee

established by the Minister for Education under section 29A of the Education Act 1998 as outlined in the immediately preceding paragraph.

**7.2.3. Basis for a review by the board of management:**

As required by section 29C(2) of the Education Act 1998, any request for the board of management to review a decision of the school to refuse admission must be based on the implementation of this Admission Policy, the content of the school's Admission Notice and also set out the grounds of the request to review the decision.
