Learning for life

18/11/2022

Dear Parent/Guardian,

The State Examinations Commission will release preliminary Junior Cycle results from last June's Examinations to schools on Wednesday November 23rd, 2022. Students receiving results will have class as normal until 12pm and will then be invited to the school Sports Hall to attend a short assembly where transcripts of results will be distributed.

All TY, and All 5th year students, will finish school at 12.40pm and will need to be collected by their parents/guardians (as school buses will not depart until 3.20pm).

Your child will receive a letter from the State Examinations Commission which includes a PIN number which will enable them to view their results online from 4.00pm on Wednesday if they so wish. This letter will be distributed at assembly on Monday November 21st.

At a later date, once the State Examinations Commission have given guidance, students will be issued with a formal Junior Cycle Profile of Achievement which will also include Class Based Assessment Descriptors and Other Areas of Learning Information.

We wish students every success with their results. Please do not hesitate to contact us if you have any questions regarding the upcoming Junior Cycle Results Day.

Thank you for your continued support.

Yours sincerely

Paul Glynn
Principal
