

Edco eBook Bundle Guide

Edco Notifications and the eBook Bundle Store

- On Friday 12th May, parents and guardians will receive an SMS and email from The Educational Company of Ireland, which will contain the student's assigned invoice number and a link to make payment for the student's ebook bundle.
 - Please note, the student's assigned invoice number must be entered correctly on the payment page to ensure the payment is assigned to the correct student's Edco Learning account.
- If payment has not yet been received, additional notifications will be issued via email and SMS every two weeks.
- The Edco ebook bundle is €80 per academic year.
- All details requested on the Edco ebook bundle payments page, are used strictly for payment purposes only.
- Payments must be received by **30th June 2023** to guarantee an Edco Learning account is set up with all the new and required Edco e-books in time for the student starting school.
 - For payments received after 30th June 2023, we cannot guarantee an Edco Learning account will be provisioned in time for the student starting school.

After Making a Payment

- After making a payment, you will receive a confirmation email.
- All payments will be processed and the students' Edco Learning accounts provisioned after the store closing date, 30th June 2023.
- Students will receive their Edco Learning username and password via an Edco Learning welcome email to their school email address.
- The student will be able to use the details in their Edco Learning welcome email to log into the Edco Learning app, which will be pre-populated on their new device.
 - The initial login to the Edco Learning App will require an internet connection.
 - It is important the initial login and app preparation on the Edco Learning App is not disrupted, so please do not close or minimise the Edco Learning App during this time.
- Once logged into their Edco Learning account, the student will be able to view all ebooks for their Junior Cycle course. The student may now choose to download all necessary ebooks into their App.
 - It is important the ebook download process is not disrupted, so please do not close or minimise the Edco Learning App while ebooks are downloading.

Future eBook Bundle Payments

- Edco will use the contact information provided by the school, and subsequently on the payments page, to contact all parents/guardians prior to each academic year of the student's Junior Cycle course, so payment may be made for the required ebook bundle, i.e., parents and guardians will be contacted in May 2024 and 2025 regarding the student's 2nd and 3rd year ebook bundle payments.

If you have any questions, please do not hesitate to contact us on support@edcolearning.ie
